PROCESSING TEAM – Job Advertisement

Objective of the position:

To efficiently guide and aid raw product through the processing line (chop/slice/dice, wash and dry) to manufacture finished leafy green (salad and herb) products for packaging and distribution to retail and wholesale markets.

Essential Criteria:

Successful candidates will have the following criteria:

- Physically fit and hard working
- English speaking and have strong verbal communication skills
- Keen interest to learn
- Accountable, reliable and punctual
- Adapt quickly to new skills
- Work competently both alone and in a team environment
- Hold a Driver's Licence or an alternative means to travel to and from work

Desirable Criteria:

Whilst it is not essential, knowledge and/or experience in the food processing/manufacturing areas would be an advantage.

Hours of work:

Due to the nature of the business, candidates must be flexible for the month of January and available **Monday to Saturday from 8am to 4pm**. Opportunity for full-time employment will be available in the coming months.

Rate of pay:

Level 1, Casual, Horticulture Award 2010

ABN: 21 602 447 021 | ACN: 602 447 021
